The information contained in this document has been compiled in response to a request from the U.S. Immigration and Customs Enforcement (ICE) regarding licenses issued to immigrants under the EMI classification. This list is provided solely for administrative and record-keeping purposes and does not constitute, nor should it be interpreted as, a conclusive indication of an individual's immigration status, citizenship, legal presence in the country, or any criminal activity. The fact that a person appears on this list does not imply in any way that they are in an undocumented status, have violated immigration laws, or are engaged in any unlawful activity. The issuance of a license under the EMI classification is an administrative process that does not certify or confirm an individual's legal residency, nationality, or work authorization. Furthermore, this document must not be used as a basis for making legal, immigration, or other determinations that could adversely affect the individuals listed. For official information and determinations regarding an individual's immigration status, it is recommended to consult the relevant immigration authorities.The information provided is strictly for the internal use of U.S. Immigration and Customs Enforcement (ICE) and must not be disclosed, copied, distributed, or shared with any unauthorized third party without prior written consent.
